Cremation Ashes Sections

Memorials

The only permitted memorial is a tablet of 1 foot 3 inches by 1 foot, with or without an inset flower holder. This is to be set in the ground with the face of the table set at ground level.

Floral Tributes

No vases, urns, flower containers or pots containing plants that stand above ground level are permitted. No shrub, miniature bushes or trees to be planted on or around the space. A flower holder sunken into the ground with the top of holder at ground level will be permitted.

Lawn Sections

Royston Sections A, B, BC & C,

In the lawn sections of Royston cemetery, the grave space will be divided into a lawn portion measuring 7 feet 6 inches by 4 feet which will be turfed and maintained by the Council. This will include a bed of 1 foot 6 inches by 4 feet for the erection of a memorial. An area of lawn measuring 12 inches x 4 feet will remain at the head and foot of the grave space, and maintained by the Council. The area of any grave may not be interfered with by the Holder of the Exclusive Rights of Burial or any other person on his/her behalf other than in accordance with the regulations.

All new and re-opened graves will be inspected at 3 months, 6 months and 12 months after an interment. If ground subsidence has occurred the grave will be topped up by the Council or his authorised representative, at no cost to the Grant Holder. On the final inspection, the grave will be either turfed or seeded dependent on the season. The Holder of the Exclusive Rights of Burial will thereafter be responsible for the upkeep and maintenance of the grave space for the remainder of the grant period.

Memorials in Lawn Sections

A safety certificate for each memorial and kerb installation must be provided by the Stonemason at the time of the installation to cover a period of 5 years.

Any one of the following are permitted in Lawn Sections all with prior permission from the Council:

1. A memorial stone, not exceeding 3 feet in height and 2 feet 6 inches in width and not less than 3 inches but not more than 5 inches in thickness. The memorial stone is to be mounted on a plinth not exceeding 5 inches in height, 3 feet in width or 12 inches in thickness.
