FURTHER STATEMENT N HDCE END H T H
N A MUSEUM

- ① JOHN ROBINSON SAID IN HIS VERBAL EVIDENCE. HE DID NOT AGREE WITH MY STATEMENT, ALSO OTHER PEOPLE'S STATEMENTS. THIS IN MY VIEW DISCREPANTS ME WITHOUT GIVING ANY EVIDENCE TO SUPPORT IT. PEOPLE LISTENING TO THE AUDIO COULD DISMISS ANYTHING THE PEOPLE HE NAMED SAID
- ② OFFICERS AND CLR'S SAID THE WALL COULD BE TAKEN DOWN. WOULD THIS INCLUDE AIRCON ETC? BRON SMITH SAID THIS COULD COST £100K N HDCE SHOULD STATE HOW MUCH THEY ESTIMATE IT WOULD COST? IN MY VIEW AS THE AIRCON IS (BELIEVE) A SHARED SYSTEM WITH THE MUSEUM IS IT NOT?
- ③ HAS THE DAMP BEEN ERADICATED FROM THE BASEMENT? SO IT IS BEING USED FOR MUSEUM STALLS?
- ④ WHY WAS THE AUDIO SYSTEM AND FLOOR AT THE TOWN HALL NOT REPAIRED WHILE WORK WAS GOING ON?
- ⑤ I FEEL THAT CLR T HUNTER PORTFOLIO HOLDER COULD HAVE GIVEN SOME UPDATED INFORMATION CLR HUNTER SAID NO NEED TO USE 14 + 15 FOR AN ENTRANCE TO THE MUSEUM. ENTRANCE COULD BE DONE THROUGH THE TOWN HALL.
- ⑥ SURELY THIS WOULD HAVE HAD THE MUSEUM OPEN 2 OR MORE YEARS EARLY? WOULD HAVE SAVED LEGAL, OFFICER + CLR TIME

THANK YOU
