North Hertfordshire District Council proposes to remove the Saturday restriction currently in place on the existing street Icknield Way.

Supporting Information

Following representations made to the Council, it has been recognised that removal of the No Waiting restriction on a Saturday will benefit the businesses on and around Icknield Way.

The current restriction is No Waiting Monday to Friday 8am-6.30pm & Saturday 8am-12 noon. There are a number of businesses along this section of the road that would benefit from the Saturday restriction being removed.
