

## Complaints Handling Procedure for matters relating to the Councillors' Code of Conduct

### 1. Introduction

- 1.1 These Procedures are “arrangements” and set out how a formal complaint against a Councillor can be made and will be handled. This covers complaints that an elected or co-opted Councillor of NHC (*or of a Parish/ Town or Community Council within the North Hertfordshire area*) has failed to comply with that authority’s Councillors’ Code of Conduct. This does not cover complaints against NHC or local Councils as a whole, nor employees of such Councils. Note that in respect of the latter, NHC has no legal remit to consider such complaints.
- 1.2 Under Section 28(6) and (7) of the Localism Act 2011, the Council must have in place “arrangements” under which allegations that a Councillor or co-opted Councillor of NHC (*or of a Parish/ Town or Community Council within the authority’s area*), who are acting or appear to be acting as a Councillor, has failed to comply with the applicable Councillor’s Code of Conduct, so that they can be, considered, investigated if appropriate and decisions made on such allegations. Any complaint will be assessed against the criteria set out in the flow chart under **Stage 1** and **Stage 2** (Appendix 1), and where this is a complaint against a local Councillor (Parish, Town or Community Councillor) *you are strongly encouraged to resolve this locally in the first instance*.

### 2. The Code of Conduct

- 2.1 NHC has adopted a Code of Conduct for Councillors, which can be found in Section 17 of the Council’s Constitution [[CLICK HERE](#)]. .
- 2.2 Each Parish / Town or Community Council is also required to adopt a Code of Conduct. These should be available on the Parish / Town or Community Council’s website and/or by request to the relevant council’s Parish Clerk.

### 3. Making a complaint

- 3.1 If you wish to make a complaint, the ‘[Complaining about a Councillor](#)’ page provides details as to how you can do so and what information you should provide. ***Please note that the complaint must relate to a Councillor’s role, they should still be a Councillor and this is not the correct process to use if you are unhappy with a Council decision (which would, at District level, be the [Comments, Compliments and Complaints Policy](#). At Town, Parish and Community Council would be their local policy).***

The information you should provide in the complaint is:

- 3.1.1 which Councillor you are complaining about and the name of the Council of which they are a member;

- 3.1.2 their alleged misconduct and dates; and
- 3.1.3 how you consider their alleged misconduct breaches the relevant authority's Councillor Code of Conduct.

*PLEASE NOTE that, while you may disapprove of the way you believe a Councillor has acted, there are a number of issues that would preclude further action, as set out in **Stages 1-2** as it will not be in the public interests to pursue some complaints that the Council cannot legally or should not deal with – see APPENDIX 1.*

Complaints can be made by eform:

[Making a complaint about a Councillor](#)

Or in writing to:

The Monitoring Officer, North Hertfordshire District Council, District Council Offices, Gernon Road, Letchworth Garden City SG6 3JF

- 3.2 The Monitoring Officer is a senior NHC officer responsible for overseeing the administration of the Council's complaints handling arrangements against District and local Councillors. Under this Procedure, however, reference to the Monitoring Officer during the assessment or investigation is deemed to include a Deputy Monitoring Officer, including an external one who may undertake any of the steps set out in this process. Complaints may be referred to an external Deputy Monitoring Officer to consider if further action is warranted. Circumstances in which a referral to an external Deputy Monitoring Officer or Investigator might arise include when:
  - 3.2.1 The complaint comes from a senior officer of the Council, such as the Managing Director, Chief Finance Officer or the Monitoring Officer and it would be inappropriate for the Monitoring Officer or an internal Deputy to investigate.
  - 3.2.2 The complaint is about a high-profile Councillor such as the Leader, or an Executive Member of NHC and it would be inappropriate for the Monitoring Officer or an internal Deputy to investigate.
- 3.3 There are other complaints that the Monitoring Officer considers would not be appropriate for them to investigate. Once a complaint with the information detailed under 3.1 has been received by NHC, the matter will be considered to be a formal complaint.
- 3.4 A complainant will need to provide their name and a contact address, preferably also with an email address and telephone number, so that NHC can acknowledge receipt of the complaint and keep a complainant informed of its progress. It is possible to keep a complainant's name and locality confidential, if this is requested, although it is likely to hamper and, ultimately, prevent any effective assessment or investigation. It is also in the interests of transparency and fairness, that a Councillor accused of misconduct,

generally has a right to know who has made the allegations. A complainant can ask for their name and contact to remain confidential on the complaint form, with an explanation for the request. This is only likely where the Monitoring Officer considers that this is likely to result in intimidation or violence. The Monitoring Officer will consider the request and, if granted, they will not provide the complainant's name and locality to the Councillor without the complainant's prior consent. Exceptions to this will be if this is referred to the Police, or if other regulatory bodies (for example the auditors or external fraud investigators). In these circumstances a request for confidentiality would be a matter for those bodies to consider.

- 3.5 NHC does not normally consider/ investigate anonymous complaints, unless there is a clear public interest in doing so. In any event, NHC's ability to do would be severely limited, as it is impossible in such situations to request further information from a complainant or provide confirmation of any decision.
- 3.6 The Complaints Handling Procedure Flowchart at Appendix 1 includes the aspects of the complaint and assessment criteria that the Monitoring Officer takes into account before deciding whether to consider the complaint (**Stage 1-2**) and assess the complaint (**Stage 3**).

#### **4. Who is the Independent Person?**

- 4.1 The Independent Person is a statutory office holder appointed by NHC. A description of their role is set out in Appendix 4.
- 4.2 The Procedural arrangements must include at least one appointed Independent Person. NHC has an Independent Person whose views will be sought on all formal allegations (as part of the assessment of the complaint – before any investigation), as well as seeking their views (as it legally must) at any other stage during an investigation or determination of a formal complaint. NHC also currently has two Reserve Independent Persons who can be contacted by a Councillor who is subject to a formal complaint for procedural advice, or who may be involved at other stages if the Independent Person is unable to participate. This will be set out in any formal letter to the complainant and Councillor confirming that a complaint has been received.
- 4.3 References to the Independent Person in this document include the Independent Person and the Reserve Independent Persons, unless otherwise stated.

#### **5. How will my formal complaint be handled?**

- 5.1 The complaint will be acknowledged within 5 working days through the contact information provided by the complainant.
- 5.2 The Monitoring Officer will review every complaint received and will consult the Independent Person. The following Stages will be applied. If it is a Parish, Town, or Community Councillor complaint, then as per Appendix 1, confirmation will be sought from the complainant that they have tried to resolve this issue at local level. As a first

step, the complainant will be referred to a local resolution unless this is impractical or unreasonable for either party to do so. This does not prevent a formal complaint being progressed at a later date if the first step is unsuccessful, but it encourages a quicker localised resolution (as this formal process can take in excess of 6 months from receipt of a formal complaint to conclude).

5.3 Where a Parish, Town, or Community Councillor complaint cannot be resolved locally or where it relates to a NHC Councillor, the tests under Appendix 1 (**Stage 1-2**) will be considered and at **Stage 3** an assessment decisions taken, which can be one of the following:

5.3.1 no further action;

5.3.2 informal action (including mediation or training or suggested apology);

5.3.3 further investigation;

5.3.4 referral to the Standards Sub-Committee.

The Monitoring Officer does not have to take the steps in 5.3.1 to 5.3.4 in the order in which they are listed.

5.4 This assessment decision will normally be taken within 28 working days of receipt of the formal complaint and considered in accordance with the Assessment Criteria in Appendix 1.

5.5 Where the Monitoring Officer requires additional information in order to come to a decision, they will request this information.

5.6 Where the complaint has moved to **Stage 2**, a copy of the complaint and any relevant documentation will be forwarded to the Councillor for consideration and comment. The Councillor will be given 14 days to respond unless there are reasons to extend this deadline, for example for holidays, sick leave, a criminal or a whistleblowing investigation. The Councillor is expected to co-operate with Monitoring Officer and not to attempt to interfere with impede/obstruct any part of the process, or intimidate any person involved in this process. Failure to co-operate can be a breach of the Code, in addition to the original complaint.

5.7 If the complaint relates to a Parish/ Town or Community Councillor, see 5.2 above; and is then considered under **Stages 1-2**, the Monitoring Officer may also seek the views of the relevant Clerk, in confidence, before coming to an assessment decision under **Stage 3**. Such views would again be expected within 14 days (unless there are reasons to extend the deadline on grounds such as those at 5.6 above).

5.8 Once the Councillor's response (and any Clerk's response) has been received and/or the deadline has expired for such comments and none has been forthcoming, the Monitoring Officer will consult the Independent Person. This consultation may result in the request for further information from any relevant party, and further consultation will

take place. Following this the Monitoring Officer will make one of the assessment decisions set out under 5.3. above (**Stage 3**).

- 5.9 When the Monitoring Officer has taken a decision, they will inform the complainant and the Councillor (and in cases involving a Parish/ Town or Community Councillor) the Clerk (or Chairman as may be appropriate) of the decision and the reasons for that decision. These will remain confidential.
- 5.10 Complainants should note that this will be the assessment decision of whether there appears to be a case to answer and whether to investigate, or consider alternative action. Further action will require a complainant's co-operation during the investigation and, if necessary, any hearing, which is likely to be held in public. The complainant would be required to attend such a hearing and provide their evidence/ and or answer questions relating to the complaint.
- 5.11 Where the Monitoring Officer seek to resolve the complaint informally, without the need for a formal investigation (as per 5.3.2) they will consult the Independent Person on such action. Informal resolution may involve the Councillor agreeing that their conduct was unacceptable and offering an apology, or other remedial action. Where the Councillor makes a reasonable offer of informal resolution, but the complainant is not willing to accept the offer, the Monitoring Officer will take account of this in deciding whether the complaint merits any further action. Equally, if a Councillor refuses to engage with such an informal approach (for example by not apologising, or attending training), the Monitoring Officer may reconsider the decision and decide whether to refer the complaint for investigation, or directly to the Standards Sub-Committee for the original complaint and (and failure to co-operate) to be determined.
- 5.12 If the complaint identifies potential criminal conduct or breach of other regulation, the Monitoring Officer is likely to refer it to the Police or other regulatory agencies. If the complaint relates to an alleged Disclosable Pecuniary Interest offence<sup>1</sup>, it will be dealt with under an agreed Protocol with Hertfordshire Constabulary, and the Police (and finally the Director of Public Prosecutions) will be the relevant body that determines whether further action should be taken on such a complaint. The Council cannot influence any decisions taken by the Police or other regulatory body, would have no role in their decision, and would not wish to prejudice such bodies' consideration or enquiries other than to co-operate with them. **Please note** that where a complainant wishes to withdraw the complaint the Monitoring Officer is unlikely to take further action on the matter, with the exception of a referral to Police/ regulatory body - where a withdrawal of a complaint would be for them to consider. If the complainant wishes to withdraw the complaint during the investigation, then this will be considered by the Monitoring Officer in consultation with the Independent Person as to whether the

Complaints Handling Procedure  
Standards Committee approved 19.10.2021)

investigation will continue. The decision to terminate an investigation will, for example, depend on the nature of the allegations and the parties involved.

- 5.13 Similarly, if the Councillor subject to a complaint ceases to be a Councillor during this assessment or a later stage of the Complaints Handling Procedure, the Monitoring Officer in consultation with the Independent Person may decide to terminate *or suspend* any further steps for up to 14 months from the date on which they cease to be a Councillor. This is because the Complaints Handling Procedure only applies to elected and co-opted Councillors. Further action *may be taken* on the complaint during that 14-month period if the Councillor is re-elected / or is co-opted back to the Council during that period. This decision will be taken by the Monitoring Officer in consultation with the Independent Person. If the Councillor is not re-elected/co-opted during that period, further action on the complaint will automatically cease.
- 5.14 If a Councillor has been subject to a finding of the Standards Sub-Committee and sanctions have been imposed under 9.1. or by Council and the Councillor has failed, without reasonable excuse, to comply with a sanction, then the Monitoring Officer will refer this directly back to the Standards Sub-Committee ('direct referral') for determination.
- 5.15 There is no further right of internal review or appeal by a complainant following a decision on the preliminary assessment not to investigate (unless new evidence is then submitted and this will, in any event, be subject to the Assessment Criteria in Appendix 1). Brief and anonymised versions of the complaints and any outcomes are reported through to the Standards Committee and Full Council.

## **6. How is the investigation conducted?**

- 6.1. The Council has adopted a procedure for the investigation of conduct complaints, which is attached as Appendix 2 to these arrangements.
- 6.2. If the Monitoring Officer decides that a complaint merits investigation, they may appoint an Investigating Officer, who may be a Deputy Monitoring Officer, another senior NHC officer, an officer of another authority or an external investigator. This Officer's purpose is to conduct an objective investigation on the merits of the complaint and whether there appears to be a case to answer that will be presented to the Standards Sub-Committee. The Officer is not there to represent the complainant or the Councillor and there is no difference in the status of the report prepared by an Investigating Officer and that of the Monitoring Officer.
- 6.3 Any investigation should be completed within 4 months, and parties must co-operate to ensure that this deadline can be met (unless there are extenuating circumstances to justify extending this). Any failure by the Councillor complained of to co-operate, or attempt to interfere with impede OR obstruct any part of the process, or any person involved in the process, may, as previously indicated, be considered a separate

potential breach of the Code of Conduct, notwithstanding the original complaint. Equally should a complainant attempt to interfere with impede/obstruct any part of the process, or intimidate any person involved in the process, the Monitoring Officer reserves the right to terminate the investigation. Any such decision will be taken in consultation with the Independent Person.

- 6.4 The Investigating Officer or Monitoring Officer will decide whether they need to interview a complainant to understand the nature of the complaint, any events surrounding it and consider what documents need to be seen, and any other party who needs to be interviewed. Such interviews may be by telephone or in person and are likely to be recorded and that record used/ produced as part of the witness evidence, together with any other relevant evidence that has been produced. If any witness(es) to the alleged breaches of the Code have been identified, the Monitoring Officer/ Investigating Officer will decide whether to interview those witnesses. Again, these interview arrangements may be by telephone or in person and will be recorded/ used as part of witness evidence. This is to prevent disagreements as to what has or has not been said at interview. Any witnesses must be identified by the complainant at this stage of the Procedure, as late witnesses will generally not be accepted after the investigation has been concluded.
- 6.5 The Investigating Officer or Monitoring Officer will provide the Councillor with a copy of the complaint, and ask the Councillor to provide their explanation of events, and to identify what documents they need to see and the name(s) of anyone witnesses they believe should be interviewed. The Councillor and any of their witnesses relevant to the alleged breaches, are likely to be interviewed on the same basis as under 6.4. Any witnesses must be identified at this stage of the Procedure as late witnesses will generally not be accepted after the investigation has been concluded. The Councillor is expected to co-operate with any investigation.
- 6.6 At the end of their investigation, the Investigating Officer or Monitoring Officer will produce a draft report (“the Investigation Report”) and will send copies of that draft report, in confidence, to the complainant, to the Councillor concerned and to the Monitoring Officer where they were not the investigating officer, so that there is an opportunity to identify any inaccuracies and any matter in that draft report of dispute or which the parties believe require more consideration. The Independent Person will also see a copy of the report for comment. Relevant parties will be given 21 days to respond. The complainant / Councillor will be expected to raise issues with the draft report at this stage.
- 6.7 Equally, parties are encouraged to acknowledge or accept any findings at the draft report stage, so that the issues can be narrowed to those that remain in dispute. It is possible that parties will disagree with the findings / reasons on whether there is a case to answer in the report. Comments and issues will be considered by the Monitoring Officer/ Investigating Officer; errors will be corrected; however, this does not mean the report findings will be changed. A summary of these comments from the complainant/ Councillor are likely to be included in the final report.

- 6.8 Having received and considered any comments made on the draft Investigation Report, it will then be finalised. Where an Investigating Officer has been appointed, the Investigating Officer will send their final report (again in confidence) to the complainant, the Councillor and to the Monitoring Officer and the Independent Person. Note that this report will remain confidential until the Monitoring Officer determines otherwise or in any hearing, the Standards Sub-Committee determines that this matter shall be heard in public<sup>2</sup>.
- 6.9 Where an Investigating Officer has been appointed and if the Monitoring Officer and Independent Person are not satisfied that the investigation has covered the issues sufficiently the Monitoring Officer may ask the Investigating Officer to reconsider their draft report. The Monitoring Officer, in consultation with the Independent Person, will review any revised report and may decide that there remains no case to answer or further action is required, as set out below.
- 7. What happens if the Investigating Officer, or Monitoring Officer, concludes that there is no evidence of a failure to comply with the Code of Conduct?**
- 7.1 Where an Investigating Officer has been appointed by the Monitoring Officer to conduct an investigation, the Monitoring Officer will review the Investigating Officer's report in consultation with the Independent Person. If the Monitoring Officer is satisfied that the Investigating Officer's report is sufficient and there is no apparent case to answer of a failure to comply with the Code, the Monitoring Officer will write to the parties (*and to the Clerk, if the complaint relates to a Parish/Town or Community Councillor, or Chairman as may be appropriate*), to notify them that they are satisfied that no further action is required. The report shall remain confidential and other than those parties who have received a report, shall not be disclosed further. An anonymised summary of the complaint and outcome will, however, be reported through to Standards Committee and Full Council during the year.
- 8. What happens if the Investigating Officer or Monitoring Officer concludes in the report that there is evidence of a failure to comply with the Code of Conduct?**
- 8.1. If the Monitoring Officer is satisfied that the Investigating Officer's report is sufficient and there is an apparent case to answer of a failure to comply with the Code, the Monitoring Officer will write to the parties (*and to the Clerk, if the complaint relates to a Parish/Town or Community Councillor, or Chairman as may be appropriate*), to notify them that the matter will proceed to a hearing before the Standards Sub-Committee or, in consultation with the Independent Person, that the scope for an Alternative remedy will be considered.

### **Alternative remedy**

---

<sup>2</sup> In accordance with Data Protection Act/ GDPR principles and exemptions and any requirements under the Local Government Act 1972 Schedule 12A.

- 8.2. The Monitoring Officer may consider that the matter can reasonably be resolved without the need for a hearing. In such a case, they will consult the Independent Person and the complainant and seek to agree a fair resolution which also helps to ensure higher standards of conduct for the future. Such resolution may include the Councillor acknowledging that their conduct was unacceptable and offering an apology, and/or other remedial action (such as training or mediation). If the Councillor complies with the suggested resolution, the Monitoring Officer will report the matter to the Standards Committee (*and the Parish Council*) for information, but will take no further action. If the Councillor fails to abide by the Alternative remedy the Monitoring Office may reopen the issue and refer the case to the Standards Sub-Committee for a hearing to determine whether there has been a breach of the Code of Conduct.

### **Hearings**

- 8.3. The Councillor will be expected to attend, unless there is a reasonable excuse for not doing so – as notified to the Monitoring Officer in advance of any hearing.
- 8.4. Normal Committee rules apply as to whether the Sub-Committee meets in public or private with the presumption that any hearings will be in public in NHC offices.
- 8.5. In all but straightforward cases there will be a preliminary administrative hearing of the Standards Sub-Committee, to case-manage the preparation and arrangements for the hearing called a **Case Management Hearing** – (“**CMH**”), followed by a **Final Determination Hearing** (“**FDH**”). The Membership of those hearings may or may not be the same.

### **CMH**

- 8.6. The CMH will deal with administrative issues, such as fixing a date for the final hearing/ length of the hearing/ final evidence or representations that may be presented at the FDH.
- 8.7. This CMH should be arranged between 35 - 42 calendar days after the report has been sent to the parties.
- 8.8. As part of the investigation, the Councillor will have been asked and should have informed the Investigating Officer of any witnesses that the Councillor wishes to rely on / and evidence obtained as part of the Investigation. However, if this has not taken place the Councillor will be expected to confirm 14 days prior to the CMH:
- 8.8.1 the areas of the Investigating Officer’s report that the Councillor disputes (and the factual reasons for doing so), including evidence from current witnesses that are relevant to the matter of dispute; and
- 8.8.2 whether they will be represented at the final hearing (and details of that representative).

- 8.9 If the Councillor fails to confirm the above information by a date specified prior to the CMH or fails to attend the hearing without reasonable explanation, then this may be considered a further potential breach of the Code of Conduct (for failure to co-operate). In the event that the Councillor fails (with or without excuse) to attend, the CMH may take place in the absence of Councillor. Where the Councillor attends they may be represented or accompanied during the hearing by a solicitor, counsel or, with the permission of the Sub-Committee, another person.
- 8.10 The Councillors of the Sub-Committee, Independent Person, Investigating Officer, Monitoring Officer, or Legal Adviser may ask questions of the Councillor and of the complainant.
- 8.11 The Sub-Committee may take legal advice from its Legal Adviser, or seek the opinion of the Independent Person at any time during the CMH and may retire to deliberate in private before it comes to a decision. The Legal Adviser will retire with the Members of the Committee and the substance of any legal advice provided when the Sub-Committee retires, will be shared with the Member and the Investigating Officer if they are present when the Members return to the hearing. The Independent Person will not retire with the Sub-Committee. If the Sub-Committee requires the opinion of the Independent Person on CMH matters, this should be requested prior to retiring to consider the decision/ or in any event before the decision is taken. **Note:** as the CMH is an administrative hearing and not the determination of the complaint, such opinion *may* rather than *has to be* sought prior to the decision being made.
- 8.12 Other than in exceptional circumstances, the date of the FDH must be fixed at the CMH, within 35-42 calendar days of the CMH.

### **FDH**

- 8.13 The Council has agreed a procedure for the FDH for the complaint, which is attached as Appendix 3.
- 8.14 At the FDH, the Investigating Officer or the Monitoring Officer (or nominated representative) will present their report, call such witnesses as they consider necessary and make representations to substantiate their conclusion that there is a case to answer that the Councillor has failed to comply with the Code of Conduct. The Standards Sub-Committee may set out a timetable for the hearing.
- 8.15 At the FDH, the Councillor will not be able to challenge evidence from a witness that has been contained/ reflected in the Investigation Report, unless the Councillor has indicated by the specified date prior to the CMH that a particular witness' evidence is disputed and why. Subject to that indication, the Monitoring Officer/ Investigating Officer will be expected to request the attendance of that witness at the hearing. If the Councillor has not indicated by a specified date that a witness' evidence is disputed, the Monitoring Officer is unlikely to request that witness' attendance to attend the FDH.

- 8.16 The complainant should be prepared to attend and give evidence to the Sub-Committee. The Councillor will then have an opportunity to ask any relevant questions of the Investigating Officer or witnesses produced at the hearing through the Chairman, give their evidence, call witnesses and to make representations to the Sub-Committee as to why they consider that they have not failed to comply with the Code of Conduct. The Members of the Sub-Committee, Independent Person, Investigating Officer, Monitoring Officer, or Legal Adviser may ask questions of any of the witnesses present (including the Councillor and complainant). The Chairman of the Sub-Committee has the ability to halt any questions that they believe are irrelevant, repetitive, or haranguing in nature.
- 8.17 The Sub-Committee may take legal advice from its Legal Adviser at any time during the FDH and may retire to deliberate in private before it comes to its decision. The Legal Adviser will retire with the Members of the Sub-Committee and the substance of any legal advice given to the Members in private session will be confirmed when the meeting reconvenes in public session. The Independent Person will not retire with the Sub-Committee. The Sub-Committee should request the views of the Independent Person prior to retiring to consider the decision/ or in any event before the decision is taken, on whether there has been a breach of the Code of Conduct. Please note that in accordance with section 28(7) of the Localism Act 2011 the views of the Independent Person are to be sought, and taken into account, by the Sub-Committee before it makes its decision on an allegation that it has decided to investigate.
- 8.18 The Sub-Committee, with the benefit of any views from the Independent Person, may conclude that the Councillor *did not* fail to comply with the Code of Conduct, and dismiss the complaint. In these circumstances, the case is at an end.
- 8.19 If the Sub-Committee concludes that the Councillor *did* fail to comply with the Code of Conduct, the Chair will inform the Councillor of this finding and of the reasons for it. The Sub-Committee will then consider what action, if any, it should take as a result of the Councillor's failure to comply with the Code of Conduct. In doing this, the Sub-Committee will give the Councillor an opportunity to make representations to it and will seek the view of the Independent Person on any sanction, but will then decide what action, if any, to take in respect of the matter. The Sub-Committee may retire in private session to deliberate on what, if any, sanctions will be applied. The Legal Adviser will retire with the Members of the Sub-Committee and the substance of any legal advice given to the Members in private session will be confirmed when the meeting reconvenes in public session. The Independent Person will not retire with the Sub-Committee
- 9. What action can the Standards Sub-Committee take where a Councillor has failed to comply with the Code of Conduct?**
- 9.1 The Council has delegated to the Sub-Committee such of its powers to take action in respect of individual Councillors as may be necessary to promote and maintain high standards of conduct. The Sub Committee will impose sanctions (or a combination of

sanctions) commensurate with the nature and gravity of the breach of the Code of Conduct and confirm their reasons for doing so. Accordingly the sanctions available to the Sub-Committee are to:-

- 9.1.1 Publish its findings in respect of the Councillor's conduct (e.g. in a local newspaper, in print or on-line or both) Any decision will be published on the Council's website in any event;
  - 9.1.2 Report its findings to Council (*or the Parish/ Town/ Community Council*) for information;
  - 9.1.3 Report its findings and recommend to Council (*or the Parish/ Town/ Community Council*) that the Councillor be issued with a formal censure or be reprimanded;
  - 9.1.4 Recommend to the Councillor's Group Leader (or in the case of un-grouped Councillors, recommend to Council or to Committees) that the Councillor be removed from any or all Committees or Sub-Committees of the Council;
  - 9.1.5 Recommend to the Leader of the Council that the Councillor be removed from the Cabinet, or removed from particular Executive Member responsibilities;
  - 9.1.6 Instruct the Monitoring Officer to arrange (or recommend that the Parish /Town / Community Council should arrange) training for the Councillor;
  - 9.1.7 Recommend to Council (*or the Parish/ Town/ Community Council*) that the Councillor be removed from all outside appointments to which they have been appointed or nominated by the authority;
  - 9.1.8 Recommend to Council (*or the Parish/ Town/ Community Council*) that it withdraws facilities provided to the Councillor by the Council, such as a computer, website and/or email;
  - 9.1.9 Recommend to Council (*or the Parish / Town/ Community Council*) that the Councillor be excluded from the Council's Offices or other premises, with the exception of meeting rooms ( real or virtual) as necessary for attending Council, Committee and Sub-Committee meetings; or
  - 9.1.10 Take no further action.
- 9.2 The Sub-Committee has no power to suspend or disqualify the Councillor or to withdraw Councillors' basic or special responsibility allowances or any other payment made to the Councillor that they are entitled to under legislation.

### **What happens at the end of the hearing?**

- 9.3 At the end of the hearing, the Chair will state the decision of the Standards Sub-Committee with a summary of the reasons as to whether or not the Councillor failed to

comply with the Code of Conduct and, if the Councillor did fail to comply, any actions which the Sub-Committee resolves to take.

- 9.4 As soon as reasonably practicable thereafter (and in any event within 7 working days), a formal decision notice will be prepared by the Legal Adviser in consultation with the Sub-Committee, and send a copy to the complainant, the Councillor (*and to the Parish Council or Chairman as may be appropriate*) by the Monitoring Officer, and make that decision notice available for public inspection and available on the Council's website.
- 9.5 There is no further right of internal review or appeal following the determination hearing by either the Councillor or complainant. Either party may seek independent advice and apply for Judicial Review of the decision or may consider making a complaint to the Local Government Ombudsman (LGO), although there is limited remit for the LGO to consider complaints and cannot revisit any decision taken .

## **10. Revision of these arrangements**

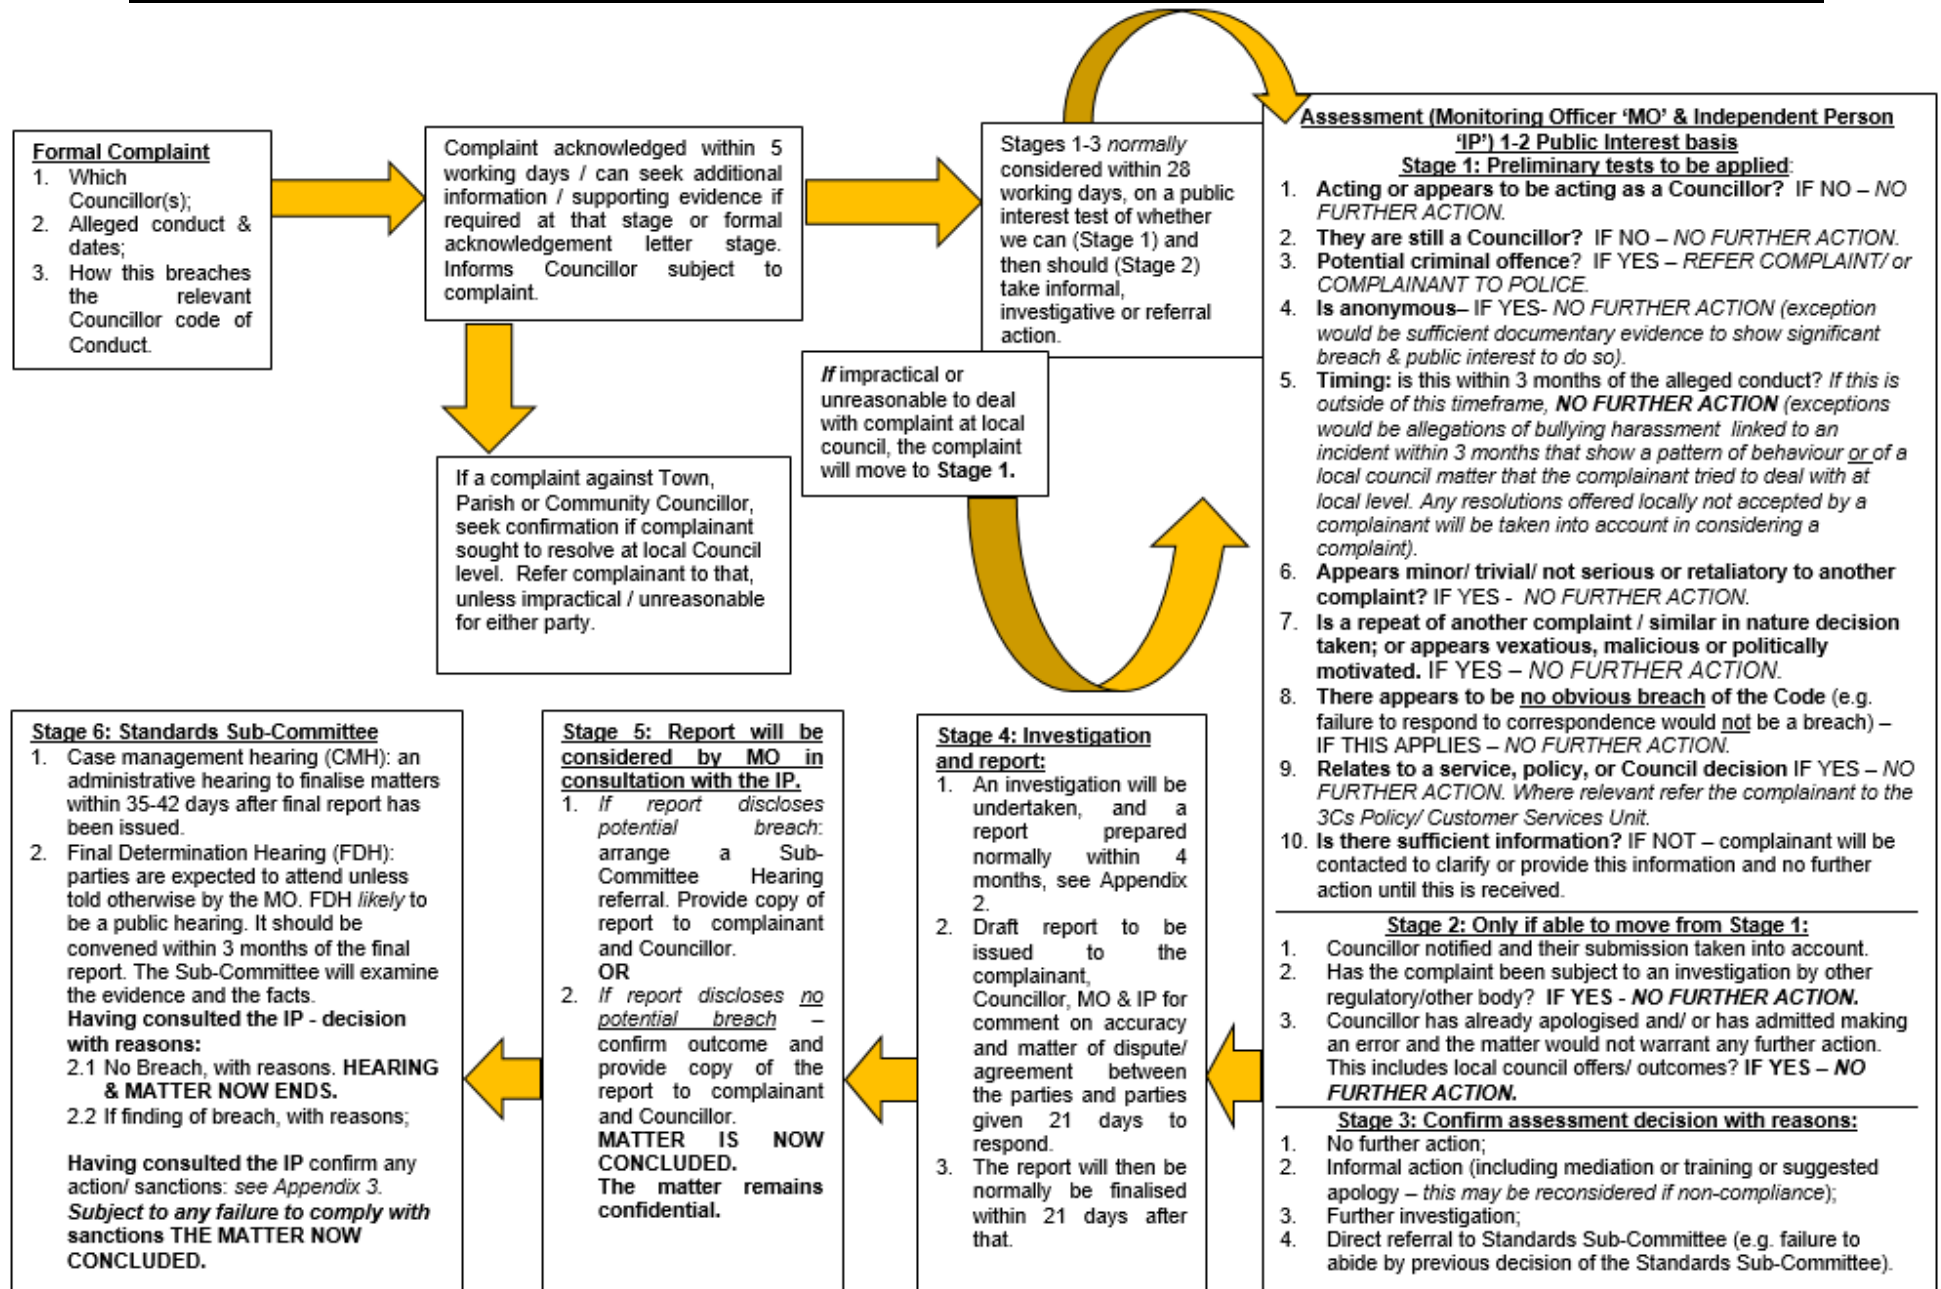

The full Standards Committee may amend these arrangements, and has delegated to a Chairman of the Sub-Committee the right to depart from these arrangements where they consider that it is expedient to do so in order to secure the effective and fair consideration of any matter. Minor amendments may be made by the Monitoring Officer in consultation with the Independent Person, Chair and Vice Chair of the Standards Committee under delegated authority.

## THE FINAL DETERMINATION HEARING (FDR) PROCEDURE FOR THE STANDARDS SUB-COMMITTEE

<p>The Standards Sub-Committee (“the Sub-Committee”) must have an efficient and effective hearing process. This will assist Members of the Sub-Committee to deal with all the issues that need to be resolved in a way that is fair to the Councillor subject to the allegation, any complainant and witnesses involved. This procedure sets out a consistent approach for all concerned.</p>	
<b>1. Interpretation</b>	
<b>“Complainant”:</b>	means the person who referred the allegation to Monitoring Officer.
<b>“CMH”:</b>	means the Sub-Committee Case Management Hearing that deals with administrative and procedural matters and clarifies the issues for the Final Determination Hearing (FDH).
<b>“FDH”:</b>	means Sub-Committee Final Determining Hearing that hears evidence; decides if a Councillor has breached the Code of Conduct; and, if so, the sanction to be imposed.
<b>“Investigating Officer”:</b>	means the Monitoring Officer, Deputy or Investigating Officer or their nominated representative(s).
