

North Hertfordshire Local Plan EiP

Inspector's Note 6.6.18

This note is to give interested parties an update on my note of 18 April (ED130) which was issued at the end of the scheduled hearing sessions.

In my previous note I confirmed that I would be inviting all regulation 19 representors to comment on any of the documents which the Council have submitted during the course of the hearing sessions, and which representors have not yet had the opportunity to comment on in writing.

The timing for this invitation was expected to be during May, but as the Council have not yet been able to complete all the actions from the Hearing Sessions the date for the invitation to provide written comments has been put back. This will now not take place until late June at the earliest.

Once all the documentation relating to the Actions from the Hearing sessions has been submitted, and I have had the opportunity to study them, the Programme Officer will be in touch with all regulation 19 Respondents with details of how to send in their written comments on the documents.
