

Friends of Baldock Green Spaces

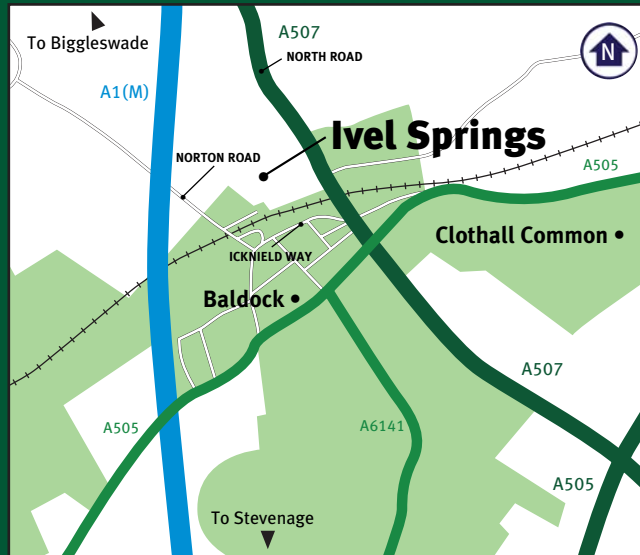

Established in 2004, we aim to conserve and enhance open spaces in Baldock by working in partnership with North Herts District Council and the Countryside Management Service. We involve local people in planning for and carrying out improvements to Baldock's open spaces and take an active role in raising funds to support this work.

We hold 2 planning meetings per year, and organise Sunday working parties about every 2 months. Work at Ivel Springs has so far included: creation of glades, orchard planting, path improvements and the installation of bird boxes, at Weston Hills we have been clearing scrub to conserve the chalk grassland wild flowers.

Anyone interested in joining the group should contact Countryside Management Service for details.

Meadow Cranesbill

How to get there

Produced by Fitzpatrick Woolmer Design - 01634 711 771

By Road: Take the A507 Gt North Road North from Baldock, the site is on the left hand side approximately 500m after the railway bridge. Limited car parking is available adjacent to the allotments.

By Public Transport: For travel details contact Intalink Traveline on 0871 200 2233 or www.intalink.org.uk

Ivel Springs Local Nature Reserve is owned and managed by North Hertfordshire District Council. The Council seeks to balance the need for sustainable development with the protection of the environment. Contact us at:
